

PLEASE READ THIS FIRST

I AM SO EXCITED for this show! And for me, the hardest part is over. As most of you know, casting is so difficult for me. I LOVE YOU ALL SO MUCH. I LOVE HOW YOU PUT YOURSELF OUT THERE TO AUDITION, I know that wasn't easy for some of you. And I am glad everyone can be a part of this show in a way that wasn't possible last year, but not everyone has the part they wanted. As someone who never got the part they wanted in ANY show (or cheerleading squad), I know this heartbreaking moment all too well. I also know the things I learned for being in ensembles were the BEST PART of my theatre experiences. And I am committed to making this process as fun and educational as possible for everyone!!

Know that I look at MANY factors when you audition...

- ☀️ Your performance in the audition process (on stage and when not on stage, how you treat others, it is ALL an audition)
- ☀️ Your grades in other classes
- ☀️ Your other activities and after school commitments
- ☀️ Your commitment to Leon Thespians, taking theatre classes, being a part of other Leon Theatre shows in any capacity through the years (especially if you didn't get a part in a previous year)

If you accept your part, join the Remind group by texting @imposter24 to the number 81010 and come to the read through on Monday!

I totally understand if some of you with heavier schedules or other activities may not want to devote your time to an ensemble part. And I bear you no ill will if you decide to bow out this year.

THANK YOU For all you put into your auditions, you made this SO DIFFICULT because I could have cast this MANY different ways and it still be an amazing show!!! But without further ado...
